

**KEY WORDS – Vocabulary List**

baseflow	pore spaces
basins	recharge
bedrock	riparian buffers
benthic	runoff
evaporation	saturated zone
floodplains	soil
groundwater	soil horizon
humus	soil survey
hydrologic (water) cycle	soil texture
hydrology	stormwater
impervious surfaces	surface water
infiltration/percolation	topography
macroinvertebrates	transpiration
non-point source pollution	unsaturated zone
nutrient	water table
nutrient cycle	watershed
organic matter	watershed address
parent material	watershed stewardship
percolation/infiltration	

**Pike County Conservation District**

556 Route 402, Suite 1, Hawley, PA 18428 - Phone:(570) 226-8220 - Fax:(570) 226-8222
